Founded 1803

January 11, 2019

Dear Scottish Cultural Arts Enthusiast:

Enclosed please find an application form for the annual St. Andrew's Society of Schenectady Cultural Arts Scholarship. We invite members of your organization to apply or to nominate persons with a strong commitment to the study of Scottish culture or cultural arts. While not limited to persons of Scottish descent, candidates must demonstrate a consistent, long-term involvement in a Scottish cultural art form.

The Society's Scholarship Committee will consider the references and the candidate's (or nominator's) statement as primary criteria for the award. Preference will be given to Capital District residents. We expect to award a minimum of \$250 in each award this year. **Please note that the application deadline is March 1, 2019**

We applaud and encourage your continued commitment to Scottish Cultural Arts and look forward to receiving applications from your members. Please feel free to duplicate (photocopy) this application as needed. Individuals with questions should direct them to me at briankohle@gmail.com or call 518-452-3763.

Sincerely,

Brian Kohler
