### JUNE MEETING

Tuesday, May 11-There will be a meeting of the Board at 7 PM and the membership meeting will follow at 8 PM. There will be a program following the membership meeting, see description on the right. We'll have light refreshments, which may include cookies or even vintage Pecan Sandies. Stay and enjoy some fellowship. Even better, bring a prospective member.

### MEMORIAL DAY PARADE

A small but enthusiastic St. Andrew's Color Guard marched in the oppressively hot Scotia parade on Wednesday, May 26. Thanks to Dave Getty for starting us off on the right (left) foot.

### PROGRAM FOR JUNE

Our speaker for June will be David Collingwood, a British Rotarian from the Rotary Club of Burton upon Trent. Scotia Rotarians, Anne & Terry Phillips met him and his wife Mary on vacation in Florida. Subsequently they were hosted by David and Mary at their home before the Birmingham Rotary Convention last June. David and his wife will be visiting with the Phillips, and David and Terry will be our guests at the June St. Andrew's meeting. You will find David a charming speaker. He is an educator by degree, having a concentration in the sciences. He completed his career as the head of main school (ages 13-16) near Nottingham. He will talk to us about Robert Burns who along with Shakespeare had influence on modern English. He will distinguish among England, Great Britain and the United Kingdom. His emphasis will be on entertainment rather than erudition. I think you will enjoy his take on the United Kingdom Healthcare System, English Education and much more, including the subject of tartan.
